Please provide public records held by Boulder County from January 1, 2023 to present concerning All Roads, formerly Boulder Shelter for the Homeless.

I am requesting the following records:

Monitoring reports, site-visit reports, corrective-action records, audit records, program reviews, evaluation reports, and records showing whether All Roads met county contract or grant performance requirements.
Aggregate outcome reports or dashboards submitted by All Roads to Boulder County showing bed nights, people served, people housed, diversion outcomes, exits from homelessness, turnaways, shelter capacity, or other performance measures.

Please provide responsive records electronically by email or download link.

I am not requesting private individual client records. Aggregate data, public reports, contracts, invoices, policies, and redacted records are sufficient.
